Another major milestone for Dream Defenders. It is now on Dreamworks TV Asia

Another milestone for Dream Defenders. We are officially on Dreamworks TV Asia. Across 19 countries in Asia in addition to the existing 60 countries we have reached so far. The very first Singapore made IP on the channel.

The Dreamworks TV Asia network will be broadcast in Taiwan, Macao, South Korea, Laos, Burma, Thailand, Hong Kong, Vietnam, Cambodia, Malaysia, Singapore, Indonesia, Brunei, Burma, Sri Lanka, Nepal, Mongolia, Palau and Tahiti.

The channel will represent Dreamworks Animation's first foray into operating its own TV network in any part of the world. HBO Asia, based in Singapore, will manage affiliate sales and marketing, as well as technical services, for the channel, with larger markets expected to launch first.
